## **CORPORATE PROFILE**

### **The Company**

Founded by **Elliott Halpern and the late Pauline Duffy**, **yap films** is a highly respected independent production company specializing in producing documentary specials and series on a wide range of subject matter for broadcasters in Canada, the United States and the United Kingdom.

In the past two years, yap has produced for or coproduced with HistoryTelevision, History Channel US, Yesterday, Discovery Channel, the BBC, National Geographic, the Smithsonian Channel, Syfy, Prosieben, France 5, and CNBC, among others.

Yap has built its reputation through passion and integrity and embodies the highest standards of professionalism. It specializes in producing entertaining, original and high profile documentary specials, series and events for its domestic markets and for the international market and is now broadening its spectrum to include drama.

### **Elliott Halpern**

Prior to founding yap with Pauline, Elliott produced, wrote and/or directed many outstanding award-winning films. These include *Deadly Currents*, *The Plague Monkeys*, *The Selling of Innocents*, and *Hollywoodism: Jews Movies and the American Dream*. Among his numerous awards are two US Emmy Awards for Investigative Journalism, multiple Gemini Awards, a Genie Award, the Donald Brittain Award, the Silver Nymph Award at Monte Carlo, and the Columbia-Dupont Award of the Columbia University School of Journalism.

### Filmography

**2015 – 2017**

**Untitled 2hr Special**

Natural History film

*Hi-Def (In Production)*

**Discovery Channel**

**2015/2016**

**Building Star Trek 2hr Special**

When "Star Trek" first aired in 1966, it expanded the viewers' imaginations about what was possible in their lifetimes. Today, many of the space-age technologies displayed on the show, like space shuttles, cell phones, and desktop computers, have already gone from science fiction to science fact. Other innovations, like warp drive, teleportation, and medical tricorders are actively in development. Building Star Trek celebrates the 50th Anniversary of "Star Trek" - a show that continues to inform, enrich, and inspire.

*Hi-Def*

**Smithsonian Channel, Discovery Canada**

**2015/2016**

**Black Watch Snipers 90 min Special**

**Black Watch Snipers** tells the epic story of five men who travelled through WWII together as snipers and scouts. Their mission: to clear towns of German snipers that would decimate the advancing Allied soldiers. This is a band of brothers story that follows the intimate and dangerous story of five men who fought together, did the dirtiest work in the war with all but one surviving to finally tell the tale.

*Hi-Def*

**History Channel**

**2014 - 2016**

**Made By Destruction 13 x 30' series**

**Made By Destruction** explores how discarded products around the world are split apart, stripped down, melted, shredded and re-invented in ingenious and extraordinary ways.

*Hi-Def*

**Science Channel, Discovery Canada, Explora,  
Discovery International**

## yap films Corporate Profile

**2014 - 2016**

**Loretta Lynn: Still A Mountain Girl 2hr Special**  
**Loretta Lynn: Still a Mountain Girl** explores country music legend Loretta Lynn's hard-fought road to stardom, her struggles to balance her marriage to Oliver "Doolittle" Lynn and six children with her music career, her friendships and collaborations with Sissy Spacek, Patsy Cline, Conway Twitty, Johnny Cash, June Carter Cash and music producer Owen Bradley, along with her life on the road, her Nashville and Hurricane Mills communities, her songwriting inspirations and her music's lasting impact on her peers and fans.

*Hi-Def*

**PBS American Masters, BBC's Arena, Sony Music**

**2006/2007**

### **VIMY RIDGE: Heaven to Hell**

The Battle of Vimy Ridge - a major Allied victory in the First World War. A bold and imaginative strategy played out in three dimensions – in the air, on the ground and in a labyrinth of tunnels under No Man's Land. An archaeological dig, opening of a tunnel, live fire tests and demos, personal letters and computer-gaming style animation travel from heaven to hell on Vimy Ridge.

*(Hi-Def)*

**History Television, History Channel UK**

## yap films Corporate Profile

**2006/2007 Cont'd**

**Tiger's Attack (2Hr Special & 2 x 1hr)**

A tiger's roar can literally stop people in their tracks. Scientists working in the field of bioacoustics pursue the theory that the roar of a tiger *paralyses* its prey giving the predator time to pounce, catch and kill. A quest with an Apex Predator at its heart that reveals new knowledge, demolishes popular belief and solves a mystery.

*(Hi-Def)*

**Discovery Networks**

**2006/2007**

**Bloodlines (3 x 1 hr series)**

The living descendents of iconic chapters in history are tracked down for revealing documentaries that use the present as a lens into the past. An intersection of family history and documented historical events provide a fresh way of bringing history to life, with unpredictable results.

**History Television**

**2006**

**Battle of the Somme: The True Story  
(90min special)**

A team of investigators attempts to do what no-one has ever done...use forensic science to solve a mystery trapped on film for over 90 years.

**FIVE/History Television/ RDF Rights**

**2006**

**The Trench Detectives (5x45)**

Battlefield archaeology series in which personal stories of individual soldiers are revealed through objects found where they fell.

**Five**

**2005-2006**

**Children of the Valley (1 hr)**

An avalanche of coal waste kills 116 schoolchildren in Aberfan. LIFE photojournalist Chuck Rapoport travels from America to record a 'town without children'. But some have survived. 40 years on, they are ready to tell their stories and Rapoport returns to hear them.

**ITV Network/RDF Rights**

## yap films Corporate Profile

### 2005-2006 Con'td

#### **Warrior Empire: The Mughals of India (2x1hr and 2 hr special)**

They came. They saw. They conquered. The Mughal Emperors - India's rulers for over 300 years. They were a dynasty that created one of the most powerful empires in human history. Their story is one of military might, bloody battles, unsurpassed artistry and almost inconceivable opulence encapsulated in creations like the Taj Mahal. A Hi-Def production.

**History Channel US**

#### **Put Me Together Again (2 x 1 hr)**

Every year millions of people suffer acquired brain injury. The damage is not just physical. Personalities change. Memory and behaviour dramatically affected. This pair of films follows some of the walking wounded—funny, poignant and moving it tells the stories of people like Kay who has a 5-minute memory, Robert - an obsessive hoarder and Helen who can't say no to strangers.

**C4/C4I**

### 2005

#### **Finding The Fallen (5x1hr)**

Almost 90 years after the end of the First World War, the bloody battlegrounds surrender their secrets. A team of archaeologists, forensics experts and historians work to identify these unknown soldiers and finally lay them to rest. This is contemporary archaeology writ large. It's purpose: to remember the past, lest we forget. Its aim: to identify and honour those who gave their lives in the Great War.

**History Television/Disc UK&EMEA/BBCww**

## yap films Corporate Profile

**2004 - 2005**

**Zapped (2hr special)**

A wild exploration of electricity and the human body. Shocking, electrifying, sexy...sparks fly as ZAPPED turns pure energy into entertainment with wild and spectacular stunts, extreme experiences and weird phenomena that, like jaw-dropping magic, make the seemingly impossible happen.

**Discovery US/Discovery Canada/C4I**

*A Co-Production with SCREENHOUSE PRODUCTIONS*

**2004**

**Canada's War in Colour (3 x 1hr)**

The compelling social history of World War II told through personal stories, diaries and letters married to newly discovered *colour* footage of Canadians at war and on the Home Front.

**CBC /TWI**

**2003/2004**

**Friendly Fire (1hr)**

A dramatic, personal and emotionally powerful account of two incidents, separated by 60 years, and their aftermath--each reflecting on the other. It moves beyond the headlines to get at the unchanging nature of loss and grace as a US pilot faces an Allied soldier he bombed sixty years ago.

**CBC /CBC Enterprises**

**2003**

**First and Last (1hr)**

Contemporary 'sleuths' unravel the personal stories of the first and last to die in the Great War - revealing the story of the war itself.
